

African Animals 3d for ABC Go!

Game Set: 11110011

These cards work with the augmented reality app **ABC Go!**

To install the app, simply scan the QR code below

or go to this link: <https://go.abctalkwithme.com/register.html?set=11110011>

After installation, scan the same QR code again within the app — this will activate your set

Alternatively, find the app in the **Play Store** or **App Store** by searching: **ABC Go!**

Important Notice:

This set is for your personal use only.

You are not allowed to copy, share, modify, or publish it on social media or elsewhere.

By downloading the file, you agree to these terms.
